Long Range Planning Meeting Minutes

In attendance: Rosemary DeVito, Rob Schwarting, Luanne Christensen, Robin Brown, Veronica Cali, Pat Dolan

1. Took a look at the survey to the community. Robin brings up the cost factor; we decided barring the cost, answer the survey's questions. We hashed out wording of questions, making questions concise and effective.
2. Possibility of 3 surveys. Original survey, follow that survey with a cost factor added separate from original survey, then a survey of how we feel about living in a large planned community.

Next meeting Wednesday 2/12/03.
