

Meeting Minutes
Long Range Planning Committee
February 21, 2007

The February 21st, 2007 meeting was held at 7:30 pm at the RCA office. In attendance were: Robin Brown, Jackie Berkebile, Verner Mize, John Vinqvist and Rosemary DeVito. Our meeting opened up with an introduction by John Vinqvist. He was pleased to meet everyone who attended and shared his vision as to what he expects from the LRPC. We will be addressing the Drakes Landing playground project before the Board on Tuesday, 7:15, at the Aspen House. We have collectively decided to go with a standard playground similar to Kerri Horniday's style. We all agreed we would like to get this approved and done for the year 2007. Hence, our meeting with the Board. Anyone who would like to join Robin Brown and Tom Ryan is more than welcome. We talked about the significance of placing more ownership and autonomy with our Long Range committee and will in the next few months, concentrate on a plan to share with the board as to what we envision Radisson to be in the coming years.

Next meeting will be on March 14, 2007 at 7:30 at the RCA office.
