

## **Long Range Planning Meeting Minutes**

We held a Long Range Planning Meeting on May 25, 2005 at 7:00pm at the RCA Office. The meeting was attended by:

Jackie Berkebile, Robin Brown, Pat Dolan, Jack Krissanda, Wendel Smith

Our topics of discussion were as follows:

### **New Development off of Deep Glade:**

Jack will provide the plans for this area at a subsequent meeting so that we can discuss amenities for this new area.

### **Pool:**

We discussed the idea of expanding the pool area by extending the fenced in area. Once we get the plans for the pool area, we can map out what type of design we would like (ie; more tables, more shading, etc.)

### **Land for school use:**

We discussed the possibility of using this area for a park area if we can't get an extension on the time limit for school officials to make use of this area.

### **Working with other committees:**

We discussed setting a meeting up with the operations committee for issues that overlap both committees.

Our next meeting is scheduled for Thursday, June 23, 2005 at the RCA Office at 7:00.
