

## **Long Range Planning Minutes**

7/8/03

In attendance: Rosemary DeVito, Luanne Christensen, Pat Dolan, Jackie Berkebile, Robin Brown

1. New chairperson for LRP committee chosen: Robin Brown, 3198 Reston Dr., 638-9777, email: [pnrbrown@aol.com](mailto:pnrbrown@aol.com)
2. We have tried to set up a meeting with Steve Beuchner at August meeting to review pathway system. Is the pathway around Vermillion a dead issue? We plan to put in Partridgeberry when Oak Hollow is put in.
3. We would like to see more trees planted in the Van Wie East area, down Drakes Landing.
4. Plan a September meeting to invite all the committee chairpersons from strategic planning: Vern Mize, Stan Solow and Ed Alencewicz to discuss common goals.
5. We need swings put in at Kerry Horniday park. Also, replace hoops on basketball courts at Horniday and Drakes landing park.

Next meeting: Wed. Sept 10, 2003 at the office of Steve Beuchner. We will meet at the RCA at 6:30 and drive together for a 7 pm meeting to see the pathway system maps. Let me know if the time will be manageable. I will send a reminder as the day gets closer. (I have cancelled the August meeting).
