Adel motioned to accept the minutes.

CHILDREN'S EASTER PARTY

The Easter Party went very well. No major mishaps of any kind! We ended up having plenty of eggs. Liz bought a huge new bin to put all the empties in to hopefully keep any little visitors out of them during the rest of the year! We had plenty of cookies and juice and coffee. The crafts went very well and were very cute. Amanda Hamlet did a great job as the Easter Bunny and Sue Campenella did a great job face painting. Liz spoke with Sue about coming to Founder's Day and she is looking forward to it. Liz will be sending her a contract in the next few weeks.

SPRING BIKE RIDE

Elaine would like to try for Sunday, May 22nd. If it's raining they will move to another date, that rain date TBA. We will advertise in the Reflections asap!

LUAU

Liz has a call into Brian Oddo and am waiting to hear back. When she talks to him she will check to make sure that he will be the one at the event. Denny Morgan of Mountainview Restaurant is booked, his contract is in the mail to him and is just waiting to get it back. She has sent a formal request to Moyers Corners for a wine donation and the letter to AB was sent a few months ago (for Founder's Day as well as the Luau).

SUMMER SPECTACULAR

Saturday, August 13th - 7:30 – 9:30pm is Letizia with fireworks to follow. We will need vendors (beer & wine coolers) also food (hot dogs, ice cream, snacks, etc.). We will look into getting a brass ensemble or a jazz band for the day as well.

FOUNDER'S DAY

Belgium Cold Springs has saved that date and want to attend as always. Sue Campenella has also saved the date for us. AGENDA has contacted us about performing and Liz will be getting back to them to book them. Lesa and Liz discussed quickly having something other than pony rides, something different this year. Also Liberty Mutual came and talked to me about getting more involved with our community events, possibly doing a bike raffle at Founder's Day or something. Elaine will check on Adirondack Puppet Group. Possibly get balloon animals, maybe Zoo to You or the MOST?
