**SPRING BIKE RIDE**

The first ad for the Bike Ride ran in the paper already and will run again until May 22<sup>nd</sup>. Elaine will call Gingersnap Bakery to see if they would stay open on Sunday again for us for \$50. Elaine will also purchase water for the riders and she will come to the office on Thursday the 19<sup>th</sup> for the office key and the \$50.

**LUAU**

Liz will call Brian Oddo again. Denny Morgan and the pig roasting is all set. Moyers Corners will donate as usual. The 50/50 raffle at the Luau will benefit GBAC this year. Liz will double check what decorations we have left and what we will need. We need to look at better lighting over the food this year. Christmas lights strung along the trellis might look good and provide good lighting for that area and might be the easiest solution.

**SUMMER SPECTACULAR**

Saturday, August 13<sup>th</sup> - 7:30 – 9:30pm is Letizia with fireworks to follow. Cathy had the idea of a Barbeque in the Park. We will look into having Wacky Wyatts come and serve food and drinks at about 6ish prior to Letizia. Cathy also thought maybe WSEN could come out and DJ or even broadcast live before Letizia. They might be able to advertise it beforehand. We could put up posters at the library and in restaurants, also advertise on local news station calendars and in newspapers. We will do a 50/50 raffle there as well. We want to look into raising the stage up – making it more elevated or just doing something to make it stand out more.

**FOUNDER'S DAY**

Elaine's students (two) will dress as clowns and walk around making balloon animals – we will pay them each a set amount. Liz will gather up some info for the next meeting on the MOST's traveling science program – maybe we could advertise a set show time for something like this. Liz will check with Lu Buttiglieri about "the Bubble Guy" and Elaine will look into the Adirondack Puppet Theater. Liz will send an email to Dave Tallo at McLane's to request a donation again. We should have the dunk tank again with summer workers – it was popular, we just need a different location.

**FALL EVENTS**

Wine Tour: Maybe, Saturday, October 1<sup>st</sup>. Liz will call Erin from Moyers Corners to see if she has any suggestions for a good place. Also if possible we would skip the walking tour.
