*Lesa Nagle called the June 7, 2005, Recreation Committee Meeting To Order at 7:35PM.  
Fred motioned to accept the minutes.*

**SPRING BIKE RIDE**

10 people present – it went well. Elaine will email Liz pictures and will do a write up for the Reflections. All the people involved want to do another bike ride soon – perhaps during summer. Elaine will look into maybe doing another route or going to a diner for lunch.

**LUAU**

Anhueser-Busch is all set as far as donations. Whirlin' Disc DJ's will provide the music for us this year. Liz will check to see if the Snack Hut thatching will be up. Liz will also make sure that we have guards set for the night. We will put Christmas lights up along the trellis to help light the food area and also add some spot lights and candles to the tables. The Christmas Tree Shop has some great decorations. Elaine has blow up palm trees to bring. We should do the luminary bags around the pool and sidewalks. We will make sure to have a spot light for Fred. Liz will talk to Doug about the chance of getting more power around to light the area better. Liz is looking into getting solar floating lights for the pool – if we do this we will turn on the filter that night in order to limit the movement of water in the pool (to keep the lights stable).

Fred, Elaine, Adel, Jayne, Lesa and maybe Cathy will be available for the Luau.

**SUMMER SPECTACULAR**

Liz will talk to Doug about raising the stage so it is more apparent. Liz will talk to Jack in regards to getting more money for the event – possibly from AB or Coke. We will try to get some flyers or posters printed up to put around town and start advertising on local community calendars. We will do a 50/50 raffle – just need to decide who to give proceeds to. Liz will try to pin down WSEN and a restaurant asap.

**FOUNDER'S DAY**

DATE CHANGE – from 9/17 to 9/10. We will send out a flyer along with a reminder in the billing statements. Liz will email Dave Tallo from McLane to request donation and will update AB, Agenda, Fire Dept., etc. of the date change. We will also try to improve Agenda's sound quality this year. We will be changing the set-up from last year and perhaps that would help with the sound quality. We will book the MOST for some demos to perform around Agenda. Jack has been trying to talk to the Mask & Puppet Theater. Enable are welcome to come. We could maybe try to get Army people out here, we will have the Sheriff and maybe we could get McGruff. Elaine has two clowns ready to perform and do balloon animals. Jack thought of having tractor rides and wants the maintenance vehicles out

for display again. We will have blow-ups and the dunk tank again – we will need it delivered earlier and start getting clean water in it asap. Liz will contact all the soccer and baseball people to let them know – no usage that day!

We will also put an article in the Reflections reminding everyone it might not be the best place to bring your dog!

### **OTHER EVENTS**

Maybe we could have a movie night at Kerri Park or at the pool. A family thing, rent a projection screen and invite the community.

We have a set of Radisson golf clubs to raffle off – start selling tickets at all summer events and then pick winner at Founder's Day. The money could go for future Recreation events. We should put a pic and blurb about it in the Reflections - \$5.00/ticket – win clubs, travel case, sleeve of balls and a hat.

Wine Tour – stick to just wineries as much as possible – that's what people want. Also maybe look into doing a boat trip for Radisson in the fall.
