Luau- July 12th- All went well. The food was good but the beer needs to be colder next year. We need to make an announcement ½ hour before we need help cleaning up. We might need a new DJ next year.

Syracuse Symphony: Requests have been made to look into other entertainment, spend less money and maybe get an R and R band. Fireworks were awesome. Melanie did a great job. Carnegie Deli was expensive and didn't offer much food or Anheuser Busch beer products.

Band Concerts: August 6th and 13th 7-8:00pm Lake Oberon. Cookies and lemonade will be served by committee members. Adel and Kathy – August 6th – Fred – August 13. Rain location is at Baker High School, there will be no refreshments served. The sound system was donated to the band so we do not need one from Brian Oddo.

Founder's Day – September 13, 2003
