*Lesa Nagle called the September 7, 2004, Recreation Committee Meeting To Order At 7:35 P.M.  
Fred motioned to accept the minutes.*

**Children's Halloween Party**

October 23, 2004 - Fred, Cathy and Sue will be available. Liz will check with Courtney Cooper to see if there are any leftover supplies from the Playground Program which can't be saved for next year. Elaine will have her classes create sticker stories as an activity for the children attending. We will provide donut holes and cider as usual. Lesa will contact Karen Joncas about having the Girl Scouts run some games.

**Bike Ride**

September 19, 2004, 9:30am leave from the RCA Office parking lot. Jack approved \$50.00 to buy food at bakery in Phoenix for participants and Elaine will bring back any receipts to Liz. Liz or Lesa will make sure Elaine has key for the RCA Office so the bathroom can be used before/after the ride.

**Murder Mystery Night**

Saturday, November 13, 2004 - Vicki's looks like it will be a good option at \$8.50 per person. We could talk to Vicki's to see if they could throw in desserts free and possibly give them some free advertising (in order to keep it under \$10.00 per person). It was suggested that we buy and serve our own desserts instead of getting them from Vicki's, example cheesecakes from Sam's. Liz will start Reflections advertising in early October.

**NYC Trip**

Saturday, December 4, 2004 – sign up has started. Liz will be changing up the ad in the Reflections in order to draw some more attention to it. Lynn Furlong suggested we send a flyer to the Corporate Park members along with their copies of the Reflections to let them know they are invited to sign up as well. Liz did that for the September 1<sup>st</sup> issue.

**Holiday Tree Lighting**

Sunday, November 28, 2004 – Lesa will call Rita from the Village Singers to book them. We need a Santa! Last year we borrowed a Santa suit from the Porches. Liz will look into the possibility of having a reindeer and also check to see if we can get a fire truck again. Lesa will also talk to Karen Joncas about having the Girl Scouts help. We will provide cookies and hot chocolate again. Liz will schedule Maintenance to have the lights up and will start to advertise in the Reflections.

**Founder's Day**

Liz is still checking to make sure McLane's will be donating hot dogs and chips like always. We will use leftover Snack Hut ice cream and give that out. Peter Sperlazza is all set doing sno cones and cotton candy. Unfortunately we can not get a beer truck for the day so we will have to keep the kegs on ice. Jack Krisanda is working with Pepsi on getting soda. We will have 2 coolers, one with lemonade (which we have leftover from the band concerts) and one with ice tea (Liz will buy mix). We should have leftover cups for lemonade and ice tea. Liz will also buy some more napkins. We will need paper towels, windex, tape, scissors, first aid kits, bee spray and posterboard. Lesa got tongs and oven mits. We will need a few bowls and spoons for relish. We will need foil and we have aluminum trays for hot dogs. Lesa bought 30 boxes of cake mix, tins of frosting, and cupcake papers to distribute to committee members. We will need a table with maybe a nicer table cloth to display cake and cupcakes. Elaine will be checking to see if her girls can come help out face painter, they will be given \$25.00 each. We will need at least 2 grillers and 6 servers at all time.
